

2016 City of Portage Recycling Schedule

Biweekly curbside collection is provided to all residential properties consisting of four (4) or fewer dwelling units.

Collection of recyclables is still being provided every other week; however the days for collection will coincide with the day your garbage is normally collected.

Anytime your normal garbage day is shaded on the following calendar, recyclables will also be collected that same day.

Set your recyclables out at the curb prior to 7:00 AM.
