AUTOMATIC BILL PAYMENT PLAN

EXPLANATION: When you enroll in automatic payment withdrawal, your monthly bills are paid just like you had sent us a check, without the trouble of writing one or using a stamp.

You will still receive your monthly bill in the mail for your review. Then, on the 20th of the month, the funds from your financial institution will be transferred to the Utility to cover this bill. You are responsible for ensuring the necessary funds are available at the time the preauthorized payment occurs.
