"Where the North Begins"

May 28, 2024

Dear Resident/Property Owner:

This letter is to inform you that the City of Portage and its contractor will begin repairs on the pedestrian bridge located between W. Edgewater Street and W. Mullet Street starting on June 10th, 2024. During construction, the pedestrian bridge will be CLOSED for any/all traffic. Work is expected to be complete within 3-4 weeks of the project start. In addition to the pedestrian bridge, the public parking area to the north of the bridge will also be closed during this timeframe so the contractor can stage material and equipment. Any cars left in these areas that impede construction will be towed.

During construction, the Canal Pedestrian Path from MacFarlane Road to Wisconsin Street will also remain closed. Please use the posted detour route along W. Edgewater Street during this timeframe.

During construction you may experience noise from heavy machinery and equipment. We apologize for any inconveniences in advance and appreciate your indulgence during this timeframe.

If you have any questions or concerns, please feel free to reach out me me at any time between 8:00AM – 4:30PM, Monday through Friday.

Sincerely,

Philip L. Livingston
City of Portage
Director of Public Works
